

Camelia "Cam" Lugo Abeta Oglesby

December 5, 1935 - April 27, 2015

Camelia "Cam" Lugo Abeta Oglesby was born the daughter of Emilio Abeta and Lou Lugo in Guanica Puerto Rico on December 5, 1935 as the second of three sisters, Francis Penton and Helen Hernandez. She departed this world on the morning of April 27, 2015 rejoining her husband Dennis D. Oglesby who had preceded her nearly 3 years ago; she was 79. She leaves behind three children, Carmen, Albert and Dennis Oglesby, 3 grandchildren, Michelle Bassil Barrett, Chris Bassil and Heather Oglesby as well and 3 great grandchildren.

Cam and Dennis were married on May 5, 1961 in Tampa Florida; they were married for 52 years. They traveled the country together seeing new and exciting places for several years, including Louisiana in 1968 where they eventually deciding to return to in 1975; she always said home was where you made it and they loved Louisiana. They successfully owned and operated an air conditioning business that carried them through their retirement several years ago; she, along with Dennis, was active for many years in the Jerusalem Shrine Temple in Destrehan LA; most would remember her as the Lady that always put on the big "spread" for the workers at the annual Shrine Circus for many years. Mom, while I know the past nearly 3 years were difficult for you without Dad, you are now with him again and will remain so for eternity. While we will miss you terribly, I am glad you are with him once again as I know he was truly your whole world and you his. Thank you for all you did to provide the best life you and Dad could for all of us. We love you and will

miss you each and every remaining day of our lives. Rest in peace now as the journey and pain of this world is behind you forever.

I am so sorry to hear about Cams passing. I know she is happy in heaven with Dennis.

I think of both of you often. Love Janice
