“ *My condolences to all of the sellars and surviving family. It has been a long time since i have seen Carl but most of my high school days were spent with Harold and Wes we were very close group of young guys. Carl was a super kool guy always trying to keep us in line and stay on the straight path. It was like my second home i always had a big brother with Harold we all loved hunting fishing and riding the lakefront in my SS chevelle. Carl also helped time to time working on the car when we couldn't figure something out. He was a part of my time spent with Harold and Wes i will never forget awesome guy to be around he will be missed.*

Kennedy so sorry for your loss. I never met your parents. I know this they had a wonderful daughter (you). Im so proud to call you my granddaughter. I know it's hard to loose a parent but both is even harder. I love you and now your parents are together once more. Just remember they are not gone because they will always be in heart. You now have two angels to watch over you. Love you Nana.
