“ *Paran, growing up with you were the best thing ever. You and Aunt Carol raised me as if I were your own, while Maw Maw and Paw Paw took care of my mom. I remember all the camp trips and vacations we took as a family. I also remember every time you were hard on me. It was all a learning curve and I appreciate every bit of it now. I looked to you as a father that I didn't have since my dad's passing. I love you whole heartily and wish that things were different before your passing, but I could not attend the circus that was created. I am glad that I got to see you before you left us. I know Maw Maw, Paw Paw, and my Mom greeted you with open arms in Heaven when you arrived. I'm sure they missed you. We will miss you too.*

“ *Maria, I am so sorry to hear about Carley's passing! I have many memories of him being neighbors for so many years growing up and latter years having you & Carley keeping an eye on Momma & Daddy. Ronnie and I send our deepest sympathy to you and your family 🙏🙏
