“ Also survived by him that weren't mentioned were his grand daughter Aimee E. Guidry and great-grand daughter Rianna M Thymes. Paw paw, you will be dearly missed by us. You were my father figure and raised me since my father passed away when I was 3yrs. old. I really didnt get to see you much since you were kept away from me by Maria, but all of that didn't matter. I know and you know that there was a place for you in my heart. How couldn't there be. You have done so much for me and I appreciate it so much. So sorry to say that neither me nor my mom (Jann) got to tell you bye. I know that you are in such a better place than here on earth and you are now flying with God's angels. One day we will all be there to meet you and reunite with you. Please watch down on all of us because I know that you will. I love you with all of my heart and that will never change.
