“ *Sandra, you and Carlos have shared almost half his life together. Eighteen years together was a long time. Time will heal. I know how hard it is to have someone you dearly love leave you. CJ will miss his dad. Hope you enjoy the plants that was sent to your home in his memory. Remember.....life goes on.*

“ Dear Martha,  
I am so sorry to hear that Carlos has passed. I just saw him last Mardi Gras. I will miss all the fun times we shared going out and watching ball games together. I'm in a loss for words. I will really miss Carlos and all the good times we had together. He really was one of my best friends and I'll always love and miss him. God bless you and your family. I will keep not only him in my prayers but your family as well. Call me if there's anything I can do 621-2020.

“ I love you and will miss you big brother. I will never forget you bought me my first baseball glove (I still have it :). That's same year we won our first ever state champ for Susan Park. You help to give me the love of baseball and I will give that same love to Andrew and Julia.

“ Carlos loved life. I will always remember how much he loved being around his friends and family. And yes....he loved the parades. He would even sleep on the route at times to get the "best" spot. He loved his crawfish boils, Easter egg hunts and BBQs. But most of all he loved making people smile and laugh. Carlos I will miss you and you will always be in my heart.

“ *Marta, seeing Carlos' picture brought me back about 21 or 22 years when you guys lived in the house off Loyola and I'd come to visit. I remember not wanting to bother your "big brother." My heart goes out to all of you. I hope peace will accompany the sadness.~ Stephanie*

*Carlos was a great uncle! Everytime New Year's came around, he'd be the one that was popping all the fireworks for everyone to see :) He was dangerous about it too, reminded me of a daredevil. He always loved to be around people no matter who you were. He loved to joke around and he always had a smile on his face. He loved life and lived his life to the fullest. He was a great person and uncle and I miss him and love him.*

*Love your great niece,

“ *One of my fondest memories of my brother Carlos is during Mardi Gras and St. Patrick's Day parades. He would scream so loud on Severn for beads, cups, cabbage, moon pies, etc. He always lucked out and got the nice long beads from Al Copeland. He enjoyed life!*
