“ *When I was little, I always thought Aunt Carmen was "the exotic Aunt". Somehow because of her name, I thought she came from a beautiful Latin country. Well, she always was the most gracious and sweet lady. Probably more than I imagined as a child. She was the sweetest. Hugs to all who loved her.*

“ *Growing up I always viewed Aunt Carmen and Uncle Bob as the perfect example of what loving parents should be, and Aunt Carmen was the very epitome of grace. Our prayers are with you all.*

*My sister in law Carmen was the most pleasant and loving person I knew. She loved spending time with her family and cooking dinner for them. She will be missed by family and friends. Rest in peace.*
