“ *I have lost and will miss my best friend. We have made a lot of good memories together. I will miss talking to her on the phone even though she talked most of the time. Renting movies and going out to eat. She used to love the May Fair at Leah's school. We would bring our chairs and listen to the band and of course she danced most of the time. The May Fair is coming up and I don't have my friend by my side this time. She is in a better place and I will see her again one day. We love and will miss you my friend.. 🥹❤️🙏*
