“ *Dear Lonnie, Karen, Jane and families,  
I am so sorry to hear about the loss of your mom. Carolyn was such a blessing to our family being a friend and aid to our MawMaw and your "Aunt Ethel". I will always appreciate her for this and remember her kindness and her smile.

“ *I was so sad to hear about the loss of my neighborhood friend, Carolyn. Carolyn and I talked to each other daily. Carolyn loved her children and grandchildren very much! She was so proud of her grandchildren's accomplishments. Carolyn was a very caring and kind person. She was truly a respectable "Lady". My children and I would like to extend our condolences to the family. Carolyn will be in our thoughts and prayers.*

*I imagine her surrounded by the beauty of heaven eating oysters with my Mom...and a grand party of others that have gone before them!*

“ Jane, Karen & Lonnie:

*Your mother will be dearly missed and I am so glad I was able to spend some time with her a few weeks ago. Growing up on Elmeer with you, Jane, I think I spent as much time at your house as I did my own. Your mom was like a second mom to me and I told her this when I went to visit her at her house before she could no longer stay home. She said it made her feel good to hear that. She was a wonderful person and she will always have a special place in my heart.*

*Love,*
