“ *One great memory of Aunt Catherine has to do with a conversation about hats and head size. Needless to say Aunt Catherine was glad when women didn't need to wear hats anymore. I was glad we never had too. lol I will miss her greatly but she taught us all a lesson about being devoted to God and family. Love, Peggy*

“ Growing up across the street Mrs. Cathrine was like a second Mom. Always a lovely caring person. She and Tudie Dupre' are up in heaven now chatting with Mrs. Lorraine Guelfo. Somethings just don't change. Rest in peace.

“ For as long as I can remember, Thanksgiving meant going to Aunt Catherine's house. She welcomed everyone who walked through the door with a smile & a hug. Her love for family and her deep faith was evident to anyone who met her. God Bless You, Aunt Catherine!

“ We lived just around the corner from the Flanagans on First Street (we were on Magazine St.) and I can remember Catherine coming to the house to pick up Betty Ann (my sister and her classmate) for high school stuff. I was 8 years younger and I always thought Catherine was the prettiest lady I had ever seen. I told her that 4 years ago at Betty Ann's wedding and she laughed and Jack just rolled his eyes. She will be so missed by all.

“ Aunt Catherine holds a special place in my heart. My daughter Ava has her name as a middle name and I think of her everyday. I have many memories of Aunt Catherine from my childhood and I will cherish each and every one. Recently she was at my Mom's house and was able to meet my newborn daughter Lilah Rose and the joy on her face was wonderful. Lilah was mesmerized by Aunt Catherine's calm voice. I will hold that memory in my heart forever. She was always calling and asking about my girls (I have 3) and she loved hearing the stories my Mom would tell her. She will live on in our hearts forever.

“ I will always remember Aunt Catherine's laugh - hearty and heartfelt. Also, her calm and loving demeanor and soft loving voice. She had to be special she was - is - a Flanagan. We also will remember her coming to the hospital when Tony had his collapsed lung. She came to pin her Fr. Seelos relic to his hospital gown and to pray, with her strong faith and belief, for his full recovery - it worked.

“ Our memories are of a wonderful caring person with whom we shared a meal and a visit to Waterfire in R.I. when Catherine and Pat visited Maureen and Jo. We also share a wonderful daughter and granddaughter. Our prayers are with the family but I know that Catherine is lovingly caressed under Our Blessed Lady's Mantle.
