“ *To Michael and Lisa,
I'm so sorry about your loss and how difficult it must be for you.
Please don't forget to take comfort in the fact that you were
both there for her and will always keep her in your heart. It's through
Mrs. Celeta that we have Michael and your beautiful daughters so
we are all grateful for her life.*

“ I did not have the pleasure of meeting Ms. Celeta, however I do work with her son Michael. She raised a very good man whom I am proud to say is not only a co-worker but a very dear friend to me. From what I know about Michael and his family, Ms. Celeta was a very strong woman, who took what life gave her and made the best of it and just kept on going. Now Ms. Celeta, you are free of any burdens you may have had and can go be with your other son John who passed on when he was just a young man.

I bet she is stirring things up in heaven right now and having a happy reunion with John!

She will be a guardian angel to you Michael and your daughters. She will always be with you. God's blessings to you and your wonderful family in the days to come. We are here for you.

All our love and prayers, the Woods Family (Jeff & Vickie).
