“ Respectfully submitted ... I did not know Mr. Angle personally, but was saddened to read that his life was cut short because of a car accident. I sincerely offer my sympathies. Much comfort comes when we remember God’s promise of a resurrection. Jesus himself said“... I am the resurrection and the life”. (John 11:25, 26). These words give us hope for the future, knowing that through Jesus Christ we can have the sure hope of seeing our loved one again – happy and healthy. I again offer my sincere condolences.

“ I am so saddened to hear of Charles' passing. His mother and mine were first cousins. Charles was a tender hearted, kind person all of his life. We grew up together and I have so many fond and funny memories. Charles had a quit wit and a wonderful sense of humor; never a dull moment when he was around. My fondest memory of Charles is his dedication to family and friends. He was always the one to show up to share in our sadness each time we lost a family member (which unfortunately have been quite a few in my immediate family). Charles will be missed and although I am sad, I will rejoice that he is in a place of eternal rest and peace.

*I would like to express my deepest condolences to Debra, his children and grandchildren, mom, sisters and brothers and so many others who have been profoundly affected by this loss. I know he will be missed.*

*With love,*
