“ I remember visiting and staying with charlie and Virginia, my sister, when they stayed at the Bollingham home down the street from the molasas factory. Later after their family grew and they lived on San Carlos I visited and went with Charlie when he would start the pumps on the barges so they could transfer the gasoline to storage tanks. Charlie was always fun to be with and never lacked a smile. On one trip when they were comming to St. Pete for a visit I laugh when thinking what he said when they stopped at the White Kitchen to eat and ordered the "special" and he heard the cook from the kitchen say "Thank God" finally we got an order and out came large quantities of the order. My Wife Louise and I visited on our honeymoon in July, 1953 and enjoyed our time with everyone. All you girls and boys of the family are Loved and our prayers and thoughts are with you at this time.

“ We all loved Mr. Charlie. As children, we couldn't wait fro Mr. Charlie to get home from work. He would load all of us, and there were plenty of us kids, in the back of hisj pickup truck and take us to Dairy Queen to get ice cream cones. That has always been a very fond memory of mine. I don't remember him ever complaining about it. He always seemed to enjoye it as much as we did.

“ Our heartfelt prayers go out to our precious cousins and their families in lieu of Uncle Charlie's Home going. I cherish the memories I have of Uncle Charlie and Aunt Virginia coming to Florida in their VW Bus to visit us all at Grandpa and Grandma Morton's. Uncle Charlie would squeeze us all in the VW bus and take us to Fort DeSoto to have a fun time together, also trips to the famous Webb City store. Memories I will cherish forever. We Love You ALL!!!
