“ Hey Charlie, sorry I have'nt seen or talk to your in years, but I have followed your progress from Butsy. We spent a lot of time together over the years, three hunting clubs. St. Rose, St. Francisville (Fritz/Killarny) and Black Hawk. And all of the time we spent on Lake Pontchartrain trawling for shrimp. I will never forget the time you woke me up, my first ship to shore phone call, telling me to get out of bed and come meet you in the lake. When I got out there, the fog had set in and I spent most of the morning talking to you and trying to find you. Then there was the time when I had my whole family and Russell on board Joe Viloa's boat. There was a storm coming right at us, we were catching shrimp. And your great comment, we still use today "That storm is going around" It did and came right back at us, with about 6' seas, what a ride.....happy sailing and May God Bless you.
