“ Chuckie, Steve and Nancy (you too, Dean:) I am so sorry to learn of the death of Charlie and Ms. Mamie. I lost my father, age 89, on November 17. He was a WWII Marine and we figure that God must have needed an old soldier from Iwo Jima. Bettye and I left New Orleans on Dec. 16, 1994 and have been living in New Albany, Ms. since. I celebrate the fact that my dprobably met with your parents and said "Hey, Charlie and Mamie. I'd likd you to mdet someone. Jesus, I'd like you to meet Mr. and Mrs Carter from Kenner, La. My son Larry worked for several years for Blliot-Carter." Chuckie, you probably won't remember this, but you asked me one day while you were going to seminary "why are you working so hard at the newspaper and with my dad? You aren't going to get anything out of it." After I got hurt and couldn't work anymore, we came back to where I was born and I discovered the answer. You, at God's calling, are doing our Savior's work. Too, Charlie and Mamie took care of many foster kids who had no place to go. Donald and Cathy originally were with us. Bur Betty Simpson adopted Cathy and Donald (we share the same birthday, June 12) Found a home with your mom and dad. I'm now looking at a big photo we have of them when they were about 3 or so, sitting with Cissy. She is a school teacher now. You have led many folks to Jesus, Dean (I'm told) now has a church. I hope Steve is well and happier now than he was in 1994, but hopefully I played a little role in that. Rita Shannon and her daughter I believe go to your church. Too, I believe Tiger Woods lives in your town. Now do you see what I got out of B-C! God works in mysterious ways on occasion.

And I don't believe he has ever made a mistake.

My mom is still alive (84) and, If you will, ask your church to pray for her and for Bettye and me!
