“ *I believe i cared for him as a patient back in early 2000s and we talked a lot about our police ties as my brother in law was an officer in Dallas. We ended up running into each other again a few times around the courthouse for different things over the years. Very nice gentleman and didnt seem like he knew a stranger and always willing to help*

“ Linda and girls, we had full intentions of coming over the lake for Charlie's service but we woke up this morning with the shingles virus with Gail and I had to get her to our primary Doctor. This took up the time we would have come over. So sorry to hear about Charlie via Gene Fields. I called him immediately and got the details of Charlie's passing, which came as quite a shock as Gail and I saw him at the "Nick Macheca Memorial Luncheon" in January and he seemed fine physically. I worked with Charlie at Federal Court for 6 years as a CSO until 2002, and of course knew him at NOPD and y'all were our neighbors on Wheaton Circle in the "east". We are so sorry we didn't get to see you in person. God bless you and your family in this time of sorrow.
