“ *Chuck, you were such a big influence in my life. Always there when I needed you. You were a good man to your family. Maybe a little rough around the edges, lol, but that is who you were. I can still hear your laugh. One of the best sounds. I can still see you Britt and Matt together. One of the best sights. We had our ups and downs. But we were always family. Now you are in no pain, no misery. You are doing what you want to do. You will be so missed here but we will see you again. I love you Chuck.*
