“ For Cheryl:

You left an imprint upon the hearts of us that love you so big, that it's hard to imagine life without you in it. And even though you are no longer here in body, your beautiful spirit has given us so much more than you'll ever know. So for this, I can only say these words to comfort those that mourn the loss of your physical presence here. Our Beloved Cheryl is with us all now, wherever we are, what ever we do, and whenever we we need to feel the sweetness of her love. She lives in the delicate sweetness of a baby's breath as it sighs in sleep. The gentle softness of butterfly kisses as they brush upon a rosy cheek. And in the mist that leaves tiny dewdrops on clover just before dawn, she lives in the Grace of a whispered prayer in the sanctuary of my own heart 💜

You have blessed my life with yours and I am grateful for the treasures we've shared along the way. You are and ever will be loved by me 🌹🌹🌹🌹🌹🌹🌹🌹🌹🌹🌹🌹🌹🌹🌹🌹
