“ Dear Mike and family,

I just heard about Cheryl's death and I'm shocked and so sorry. I knew her from the orthodontist's office. She was so much fun and so special. Both of y'all helped me before my knee surgery telling me all the crazy things that happened to you and you were just fine. I will pray for you and your family and I will miss her.

*Sincerely,
Chase*

“ Cheryl and I became friends when we worked together at Mobil Oil in the early 1980s. Soon, we were next door neighbors. She was always so full of fun, and would do anything in the world for anybody. Eventually, we moved away from each other and didn't really see each other very much, but we always called each other on our birthdays to "catch up". We could just pick up the conversation where we left off. As sad as it is that she left this earth, I know Kaity was there to welcome her when she got to Heaven, and I know she will watch over her family. Prayers of comfort and consolation for all of you.

“ It seems like only yesterday we were playing baseball with the missionaries or going skating at the skating rink with them. We always tried to keep them busy on their day off. We brought our friends but the missionaries always bet us. We had so much fun. Then we grew up married and went our separate ways. I'm so sorry for her passing. She's with Katie now. God bless all those left behind to go on without her. I know how much she loves all of u. I will keep u in my prayers. So sorry Mike.

“ I knew Cheryl for a short time & only met her in person twice. My husband & I were blessed to purchase a Golden-doodle from her & Mike just before Christmas. I will never forget the vision of Cheryl bringing tiny Rosie, in a little Santa dress, to me with tears in her eyes. It was so hard for her to give up one of her babies, even though there were 3 more babies & 3 grown dogs in the truck! The two months prior we messaged & talked many times & met one other time. I liked her immediately & we became Facebook friends. Randy & I are so saddened by her death. We want to send our sincere condolences to Mike & their family. Cheryl was obviously a very special person.

“ I have known Cheryl since she came into the world. So loved by her mother and father. Her mother was my first cousin, but I called her Aunt Pauline. I loved Cheryl as much as her mother, so cute, sweet and loved her sister Sheila and her brother Craig, so much. Cheryl was a wonderful mother and wife. Just cannot believe she is gone, but I am sure she is having fun with Kaity and her mom and dad and grandparents. Bye Cheryl we love you so much!!

“ Cheryl and Mike welcomed me and my husband into their immense circle of friends more than 30 years ago. Though time and distance kept us from spending time together recently, I still count her among those I hold close in my heart. The world is a smaller, sadder place without her in it, though I know she and Kait are hugging each other in heaven. My deepest sympathies to Mike and Chad and all of her loving extended family.

“ Ms Cheryl came into my life three years ago. She was so kind, helpful and showed so much compassion. My daughter had the same disease as her Katy! Our hearts came together as mothers! Rip for now you're with your sweet Katy!

“ Ms. Cheryl came into my life a couple of year ago through my mother. They were friends in high school and used to chase the Osmond's together... my grandpa would drive them all over the country. After an unfortunate circumstance happened her and I ended up talking more and we became close. Whenever something big happened I would message Ms. Cheryl on Facebook and see what she had to tell me about it. She was always interested in my life and my kids. Recently she was there for me and my kids when we really needed someone the most and I will never forget her and how she was there for us when she did not have to be. To me, she was the kind of mom and Mimi everykid dreams about having when they are growing up. She made me want to be a better mom and person for my kids by just being around her and the example she showed. I am still in shock. Ms. Cheryl was one of a kind and if there were more people like her in this world it would be a wonderful place. The only comfort I have is knowing she is now with her little girl, even though I know she will be missing the amazing family she had to leave behind. She will be watching over them from heaven.
