“ Ms. Barbara, Kym, Randi, Danny, Ann & the Medzycowski Family,  
Please accept my sincere condolences on the loss of your precious  
daughter, mother, sister & aunt.

*Chrissy Medzycowski was a name that's been part of my life since I  
was 14 yrs old. Although we weren't the best of friends (she was  
younger than me), she has always been a part of my childhood  
memories. I wish I had gotten to spend more time with her since  
joining your family. The time we did spend together I found her to be  
a sweet person with a gentle soul. She was always kind and  
thoughtful. She made me laugh with her Medzycowski tongue. And  
anyone who cares as much about animals as Chrissy did, has a  
genuinely good heart.*

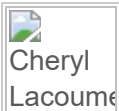

*I know that she faced some obstacles along her journey in this life.  
I'm sure that she did the best that she could do. We are all on this  
journey together and we all must face our own destiny.*

*I hope that you all find some solace in knowing that your sweet  
Chrissy is whole again and is perfect. She is in God's hands and will  
forever be with you in your hearts.*

Love,  
Stephanie

*I had no idea that Chrissy passed to the hands of the Lord. She is at  
peace and safe . We shared many good times together; she was in my  
wedding with her husband Keith Cortez. Many good times with them  
both. I loved her precious girls, Kym and Randi . Please accept my  
condolences. This is such a shock to me, I had no idea. So sorry for  
the loss! RIP Chrissy; never forgotten. Your friend Cheryl Lacoume*
