“ I'm lighting this candle with the warmest heartfelt memories of this sweet boy that we saw grow into a young man. Although we didn't get to share his recent accomplishments, we will never forget the little boy that with bright smiling eyes experienced Disney World and loved Buzz Lightyear. I'll never forget how he use to say it too, which sounded like he was saying, Bye Bye Ear" 🙏 We we're blessed to watch him grow up into the handsome young man he became. Colin will never be forgotten in our hearts and memories. God Bless his family and shine his light on them for our Lord promises to never forsaken us. Love always, your neighbors, The Eskines 🤍

Colin even though I didn't get a chance to spend a lot of time with you I loved you right away. I know my Jenna could only fall in love with a great guy. I remember especially you walking in with a frozen hot chocolate with that sweet smile on your face handing it to me cause Jenna told you how much I liked them. Thoughtful and loving were your ways in life and I will always be happy that you came into our lives. I know Jenna loves you and you love her. That was obvious. May you Rest In Peace and watch over your love from above,
