“In life, we LOVED you dearly, in death we LOVE you still. In our hearts you hold a place, NO ONE ELSE WILL EVER FILL!”

Nanny, there are no words to describe how everyone feels since you left us, the look on everyones face saturday night will forever stay in my mind. I can't thank you enough for all the love you have always shown me from just being danyelles best friend, to us officially becoming family...everything just clicked! You & the entire family have always made me feel as if I were blood to y'all. You were there when Brinlee was born & saw Easton not long after he was born. We have shared every birthday, every holiday, everything in the past few years together. You loved my family for as long as I can remember, thank you for everything! I will forever be grateful for the time we had with you & I know you will be our babies biggest cheerleader looking down. I will miss our random text & all the party planning together, but mostly I will just miss YOU! Please keep everyone strong throughout everything & don't worry about grams, I PROMISE she will be taken care of! I LOVE YOU & WILL MISS YOU LIKE CRAZY! 💕🙏 Rest In Peace, Nanny!!! 🙏🙏🙏

I "reconnected" with Collette on FB and enjoyed her daily posts. She and I attended high school together and sat near each other in many classes. She was always so positive and had nothing but kind things to say. Her passing will be a loss for all that knew her. Thoughts and prayers for her family. May she rest in peace and her memories will live on.

Although I haven't seen my cousin in many years I am sadden to know she is gone. My fondness memories of her go back to when we were very young, and our family came to visit from Connecticut. She had so much energy and always had a big smile on her face. All our family's love, Bobby Owens.
