“ *I never met Craig but I do know he leaves behind two beautiful young ladies with very bright futures. Bella's posts tell me he has left us a caring, passionate young woman who cares. She looks past the challenges her father faced and chooses to remember to good memories of her relationship with her dad. Bella, you have demonstrated the wisdom few of us possess. Please accept our sincere condolences for the loss of your father. Jim & Gail*

“ *I only knew Craig for a short time but every time I was with him he was kind and always smiling. He always told his family how much he loved them. You could feel the love he had for his girls because the love was so strong. I wish things could've been different for him. He was a sweet man that had a lot of love to give. RIP Craig. We will always be here for your girls.*
