“ *To the family and friends of Cynthia, I'm so sorry for your loss. I met Cynthia at Vo- tech in 1981 but I left in the 1982. I always remembered her as a sweet person that always had a smile on her face. Thoughts and prayers to Cynthia's family and friends*

“ *My deepest sympathies and condolences for the Banister family on the untimely passing of Cindy. Cindy was my student at Fairchild Middle, along with Peggy, and those brief years that I was honored with her presence illustrated to me the vivaciousness and gregariousness of her personality. Just by her picture proves that these characteristics carried over to her adult years. Truly Cindy will be sorely missed...Such a loss. It is my feeling that, like parents, teachers should not outlive their students.*

“ I met Cindy about a year ago. She was the only Banister child I didn't know growing up. I talked to her every time I went to C&G about the good ole days. She was very nice. I feel sorry for the loss to the family. We lost a child last October, so I know a little about how it is to lose someone close. My heart goes out to the Banister family.

“ I want to express my sorrow to your family. I met Cindy a few times and she was so sweet. Genuinely nice. A beautiful girl and her Aunt Marie thought she hung the moon.
