“ *Ms Lucy was a kind co-worker at Chateau Elem. She introduced me to her daughter-in-law, Angie & family. Though I moved away, we stayed in contact all these years. My sympathy go out to Casey, Angie, Sean Patrick & to Pat Reed. May Ms Lucy Rest In Eternal Peace. 🤍🙏*

“ *Lucy and I first met at Matas when she was two doors down teaching first grade and I was teaching kindergarten. She had a hearty laugh, a big sense of humor, and loved her students! Met Casey when he was just a little guy! Such a sweet boy and now adult. Always caring, she adored her family, loved to go visit them and treated my daughter and her family as her own. Love to Casey, Angie, and Sean Patrick

Angie and Sean- I am sorry for your loss. I worked with Lucy at Chateau. As the school nurse we talked frequently about her surgery and her other conditions. She made great suggestions on low calorie and carbohydrate food. I know you all will miss her dearly. Rest in Peace Lucy.
