“ DJ was a joy to know. I can't believe he has died and I feel so sad for his family as well as for all of us who were lucky enough to call him our friend. Only Saturday he was voting and Monday he was gone. Unbelievable. DJ was a welcomed volunteer during my Congressional campaign in 2008. He had optimistic plans to make a difference in the political arena. Time ran out but not before he made a tremendous difference in the lives of all who knew him. Love you, DJ. You accomplished so much in your 22 short years.
