“ *Our dear nephew, a great guy with a huge heart and so much to give. Our lives will be forever changed with his passing. Like all of us he had his struggles, but now he soars with angels. He will be missed by all of us that was touched by his kindness, his great laugh and his genuine love of life and others. Rest in peace my dear nephew, you will be missed always. Love you. I will miss my morning coffee with you neighbor. Xoxoox I hear you in the magnolias in the breeze , I feel the roar of your bike going home in the night. I will miss you, I enjoyed your smile, your heart and your friendship. You are so missed my friend.
