“ It shock me to hear of your passing from Crystal. It's been years since I've seen ya, but the times that we all did have together I do have some memories. We have pictures, we have videos. One thing for sure you always put a smile and had everyone laughing. So I can only imagine that Big Daddy Steve, Nap and Kurt were at the gates waiting for you. As I said many great memories from our New Year's parties to Mardi Gras parades we all enjoyed your company with your crazy self. May you Rest in Peace Danny. Til me meet again.

My condolences to his children, grandchildren as well as your Mother and his sisters.

“ Cousin Dolores I'm sad to hear the passing of your son Danny . My heart goes out to you. Danny was always fun to be around. No matter where he lived he always had that Irish Channel slang to him . We had so much fun when our family would get together over the years. Love You Cousin D. May the Good Lord watch over him RIP Danny .
