My heart breaks for Darryls family. I have worked with his finance Sandra for years. There is no doubt this man adored Sandra. He was always sending flowers to her at work just for no reason. Sandra was always there for Darryl.

Most people do not have the opportunity to find there soulmate in life. But they always had each other. Rest in peace sweet Darryl

Pat and I loved Darryl so much. He was always so much fun to be around and kept us laughing constantly with his wonderful sense of humor. He was incredibly talented and I thoroughly enjoyed playing music with him during our years together at Highland Baptist Church. Looking forward to seeing you again and making music with you in heaven one day, my friend.

Darryl. What a great person you were! You were the best of drummers and the best of people. I am so glad i had the incredible opportunity to know you and play music with you. God took you too soon. You had so much more to offer on Earth. My condolences to everyone who ever met you, as I surely know that they were also touched by your existence and will continue to be. Your had an angel, Sandra, who fought along side of you in your valiant struggle until the very end. Even at that time, you were concerned more about other's than you were about yourself. We shall all miss you dearly.
