“ It was a real pleasure working with Dave for the past 3 years at Advanced Building Products. May you find the strength to go on, knowing without him it will be hard....but life still goes on and somehow you must find a way to be strong. You are in our prayers.

“ *The First thing I think of when I hear your name is mardi gras!!! Ever since I have worked with Tammy I will always remember getting our spot for MARDi gras every year in front of our work. We would see y'all almost every night for parades. But this isnt the only memory I have of you, it's just one that stands out bc you loved MARDi gras as Tammy would say! I have known Erica for over 10 years now and when we used to come over you would always welcome me and say hello and ask how I was doing. You were a very kind man and a wonderful husband for Tammy. I know you will be watching down on her and ginger. Ginger misses her daddy but you are in a better place now resting peacefully. May you rest in peace Mr.Dave. You will be truly missed by many...gone but never forgotten.*

“ To my husband,
Even though we knew one another for thirty years, twenty-five of them spend married, I wish it were a hundred. God could not have created a more perfect sole mate for me. We had amazing years together and all the places we were able to see together were a blessing. You are my blessing and I will never stop loving you. What will I do without my "Beach Bum?!" I love you dearly and you will be forever missed.
All my Love,
Tammy

“*Dave was a great guy with a quiet gentle spirit. He loved his family very much, I only knew him for a short time, but I will remember the way he made feel welcome and a part of the family. I count my self very lucky to have known him.*”
