“ I have so many memories of you dad which I think the one I will never forget and probably because it's my favorite time of year is when I was growing up you would wake me up early Mardi Gras day to go save us a good spot on the parade route. We would go get donuts and you a coffee and me either hot chocolate or chocolate milk depending on if it was cold while waiting for mom and Wendy and David to come out. I sure do love and miss you a lot and wish you were still here. 🥹🥹🥹
