

## Deena Griffin

January 4, 1949 - July 29, 2025

The world lost a beautiful soul on July 29, 2025, when Deena Griffin, 76, of Moreauville, Louisiana, passed away surrounded by her loved ones at East Jefferson General Hospital, Metairie, LA.

Deena was preceded in death by her parents, Michael Kieth Joffrion and Minnie Joffrion Delaney, and her brother, Michael Joffrion.

Those who knew Deena will remember her as the brightest light in every room. She was generous to a fault, deeply caring, and far more concerned with the well-being of others than her own. Her greatest joy came from laughter, especially when shared with family and friends. She was truly the steady, supportive presence you could count on through life's ups and downs.

Professionally, Deena built a long and respected career in the insurance industry, earning admiration for her work ethic and dedication. But her proudest role was always being a loyal, caring and loving friend and mother. She is survived by her loving son, Jason Joffrion (Carolyn), her cherished grandchildren, Jared Joffrion, Lily Krumenacker and her loving best friends Sally Martin & Gwen Droz who will carry her love and legacy forward.

Deena's life was a reminder that kindness, humor, and devotion to family are

the true measures of a well-lived life.
