“ *I've had more laughs with Dennis than I can remember. As others have mentioned his home was always welcoming and fun. After school PB & J sandwiches with his Bunny Bread, fried fish on weekends and his not easy to forget New Years Eve parties. Some of my best school age memories occurred on Maryland Ave. As an adult he was my hangout buddy at Christmas parties scouting out the buffet table. He was a legend at Fong's Chinese restaurant, funny stuff there too! He will be missed by many. My condolences to his entire family.*

“ *I'm his daughter Melissa's childhood friend. Mr. Dennis was the nicest, and most present and supportive Dad I knew. I spent as much time as I could at his house and he never made me feel unwelcome, even though I'm sure it would have been nice had I left every now and then :)*

I stayed for many nights , and dinners. He was a truly forgiving and loving person and I often wished I had a father like him. I wish I would have told you how you made my childhood better and how you truly touched my heart and changed it forever. I could never forget you and am so glad you were in my life. You will be missed. I loved you.

*Nance and Family,
I celebrate the many years and magnificent
Memories you have from sharing life , children health and sickness with
Dennis.*

*. It was so easy to be around him in your home.. Though I
Wrote it to him and i have told Dennis, I have thanked God for
The way Dennis loved my son, John Mark, as his own, though he was
a son-in-law. He served*

*Me as my airport chauffeur many times and I appreciate the way he
was so able to*

*Accept those who were
Needing acceptance. I know you will miss him,*

*But you have enriched
Each other in this life. I honor the Divine Gift of Mercy he exhibited in
this life. I believe it was a gift from God for those he blessed. I will miss
him. May God bless each of you
with His Divine Peace.*
