“ *Diane and I began our friendship in kindergarten. Through the years our lives paralleled each others, graduating from Warren Easton together, marrying police officers, having two boys and sharing similar life problems. *

My favorite memory is of going to the Toddle House after school several days a week. We would both order a hamburger and a slice of either pecan or chocolate pie. We would sit and talk and enjoy the food and our time together.

Even though we live many miles apart we always kept in contact and I will miss her easy way and her smile. Love you. Kathy
