“ *I was a volunteer at Chateau Living Center for many years and I got to know Diane. She always seemed to know everyone's name much better than I ever did. In all the time I knew her she never had a cross word for anyone. She was always smiling and enjoying whatever was going on. She always complimented me on my hair and I felt that was a real compliment because she was a beautician. You were blessed to have such a wonderful MOM and she was blessed with a kind a loving family. We all miss her.*
