*Tho, I only met Ms. Dee a couple of times, I have been very blessed by watching the great influence she had on her family! She was indeed a very special individual who did an awesome job, raising her family. If the world had more people like this, we'd be in great shape. May she rest in peace, and may God give peace to her family, and the assurance to know they will see her again.*

“ *Dolores Ann DeLaCerde Murphy better known as Dee Dee, Ms. Dee, or Maw Maw will always hold a special place in the hearts of those who met her. Dad always said mom was the person who kept the family balanced; he loved, respected and looked to her for guidance. She was our rock. She raised us in a warm loving home filled with simple things. We were far richer for the things she did for us throughout our lives. Mom always put family first. She took pleasure in being with family and friends. She always opened our home to others. With her open door policy everyone was welcome. Mom taught us to be strong, independent, caring and to be grateful for our blessing. As we became young women she guided us and became our friend. She taught us how to be good mothers which was the easy part because we were raised by one of the best . Our mother was able to guide her grandchildren into young adulthood. She taught them the simple lesson of everyday pleasures of life. She loved her grandchildren and great grandchildren with all her heart and they loved her the same. She taught each generation the importance's of what a family means. We were all blessed to have her as our mother, grandmother, and great grandmother. She always had a warm hug and kiss to greet you and a bigger kiss to the next time. Our mom was a good gentle person who loved life. She taught us to laugh a little louder, love much harder, and live life until God calls you home. Thank you God for picking Dolores Ann DeLaCerde Murphy to be our mom. Mom, you will be missed but never forgotten. You were our rock but now you are the mountain that we stand high on. Love Your Family*

*Dee Dee was quite a woman to have raised 3 wonderful girls, provided a warm and loving home and being a life line to everyone. Telegraph, telephone, tell Dee Dee. She was amazing keeping tract of everything and everybody. Charles tells me stories of their adventures together when they were growing up. She has our respect and love. Her passing is indeed a loss to all of us that knew and loved her.*

My daughter Maryann Yates told me about her and she sounds like a real sweet lady and a heart of gold. I would have loved to have known her. May God bless each and everyone of you.
