“ I'm going to miss my Hot Rod buddy Don. He and I made many a trip to Texas for the Pate car and parts swap meet. We laughed all the way there and all the way back home having a great time talking about all kinds of crazy things. He was a Good Time.

One of the times we went to Pate we went in his yellow Ford Torino . When we got to the swap meet in Texas the radiator starting leaking. We had to fill it every morning to keep the car rolling. On the way back home from Pate I bet we made twenty stops for radiator water. By the time we hit Airline Hwy the car was running Hot! So we pulled over alone side Airline Hwy and got water out of the ditch and fill it with ditch water and minnows! By the time we pulled into his driveway that car couldn't go any more. It was as if the car said " I can't go any more"! But, we made it home! That trip was in 1979 and we still laughed about it 30 years later. Don and I would talk on the phone almost every week and still laugh about the good times. I'm going to miss my Hot Rod Buddy till the end of my time God Bless you Don, see you in Hot Rod Heaven.

“ Don Winn and I were good friends and classmates at Warren Easton. We worked out together many evenings as student-members at the New Orleans Athletic Club. After graduating in 1954, we kept in touch for over 60 years. Every time I came to New Orleans I called Don and we'd meet for coffee or lunch. Don was an honorable and humble man who worked hard his entire life to provide for his family. He loved his wife, children, and grandchildren with his whole heart. Blessed with a fine sense of humor and a quick wit, Don spread laughter among family and friends on a daily basis. I shall miss his good cheer and earthy conversation.
