“ *Donna, my beautiful cousin, was such a compassionate and giving person. I am so blessed to have so many shared memories with her over our many years. She was so talented in many ways. She loved her job and loved helping the people in her District 5, but would go out of her way to help anyone in need. Family meant so very much to her...her children and grandchildren, sister and brother and her beloved mother. It is still very difficult for me to look at this picture of her and know that I won't see her face again on this earth; we were supposed to grow old together. I am grateful to have 60+ years of memories of her to hold dear in my heart and I will find comfort and peace in those memories in time. She will always have a special place in my heart as she always has, and I know my Nick was there to greet 'Nonna' when she got there. See you both on the other side one day. Sending love always!*

“ *Donna always helped with everything our St. Elizabeth Ann Seton Girl Scouts needed: Christmas Caroling in Kenner Pavillion with Santa, Girl Scout Christmas Parties and Halloween Fundraising Parties in Woodlake Gym, and arranging tree planting from our Girl Scout troops many times over these past 11 years. We appreciate all of her service to our City and Girl Scouts and are praying for her family. We will miss Donna!*

“ *My beautiful mom, words will never describe how much we will miss you. God has taken you from us and this world, but a lot of me has gone with you. I will never be the same daughter, mother, friend, girlfriend, niece or cousin. I promise to do my best to make you proud of me and never let you down. I hope throughout the rest of this life I find YOUR strength and courage to go on and take care of our babies. I love you more than words or actions would ever express.
Till we meet again my beautiful angel, my heart will hurt and grieve for you every single day*

“ I remember in 1982 when yall lived a few blocks away I went into labor for Kristen and had no one to watch Tiffany and your mom told us to drop her off at her house and she would take her until Uncle Mike could pick her up. She was a wonderful mom and friend. Praying for all of you at this sad time. Always remember she may not be physically here on earth but will always be in your hearts! Love you Donna and rest in peace!
