“ *I worked with Donna for over 20 years at Pellerin Milnor. She was always so kind, friendly, and ready to listen and give advice. My life was truly blessed by knowing her. She will be greatly missed. My thoughts and prayers go out to all of her family, whom she loved very much.*

“ Donna was always a good listener, and genuinely concerned about others. She would always asked how you were doing, and if you had any issues, she would always end our conversation with I will pray for you. She was always upbeat, and was great to be around. She will truly be missed.

“ I had the honor and privilege of having Donna in my life for a short period of time way back in the 1970s! She was a dear, sweet woman with a great faith and I respected her for it. My heart goes out to everyone, who - like me - is saddened to know she is gone from this earth; but I am also happy to know she must be must "just fine," now, with her creator. God bless her. An old, long-lost friend,

“ Spent many Saturdays in early 70's with Donna knocking on doors inviting people for bus ministry at Kenner A/G Church, then onto Morning Call for coffee. Also spent many fun times together with our other single friends. She was a faithful child of God and a true encourager. We lost touch for a few years and when we met again the first thing she told me was that she prayed for me every day. This is the Donna I knew and will truly miss.
