“ *Condolences to you Denise and the family. I am the guy who drove the limo you rode in to the cemetery. I knew when I first saw you that I knew you from somewhere and it just came to me that that somewhere is Walgreen's Pharmacy. I am Dutch Villarrubia and if I remember correctly the last time we saw you was in the waiting room at East Jefferson Hospital. That must have been a couple of years ago. Anyhow, sorry about your mom and I hope you and the family do okay. Dutch Villarrubia .*
