“ Well my "old gal" you are with your Buzzy now & I know he will take great care of you like we did. Don't worry about paw-paw I will take care of him like I plromised you. Bentley crawled into the office and was trying to open his birthday gift from you this morning but I won't let him have it until Monday because you wanted him to wait. I love you & will miss you very much maw-maw. I can hear you tell me that you love me twice/three times as much or even more. May you rest in peace & always watch over us.

*Love you forever,  
Kimberly*
