“ It was a nice to have you in my life for 22 years, well that's how long I've been in the family and with your beautiful granddaughter Misty (myself) Vincent, Gino, and Gianna and my mother and father. You were a very special person to our family and the food that you prepared for those Christmas gatherings tasted as good as my mothers and it that says a lot especially coming from an Italian, you sure put your foot in that pot, you were a great cook, along with a great wife to Bill that I also loved as my own as well. A great mother from what I saw and a great mow mow and lastly a wonderful great GG two both of my children. Thanks again for giving me the oportunty to marry your granddaughter (your off spring) If more people look at life like you did this world would be a great place.

All of your children were good to me and there kids got along with me like I was there very own cousin and I'm thankful for that. One thing I will miss is that contagious small and laugh. Until me see each other again rest in piece my dear.

*For many or called but few are chosen*

*To the Ferguson family be strong and grow and stay close together during this sad time*

“  In our hearts   
We thought of you with love today,  
But that is nothing new.  
We thought about you yesterday  
And days before that, too.  
We think of you in silence.  
We often speak your name.  
Now all we have is memories  
And your picture in a frame.  
Your memory is our keepsake  
With which we'll never part.  
God has you in his keeping.  
We have you in our heart.
