“ *I loved and always will love Mrs. Dottie. A true mom to our neighborhood back when the neighborhood was there for the kids.*

“ *I will never forget Miss Dottie and her smiling face growing up on Avenue C. She made us all feel welcome and her house was always open to us. As we grew older she invited us all to play Bingo with her and she always seemed to win! She was always so full of energy and she was always on the go. She loved her kids so much as well as all of the other kids in the neighborhood. To her children, I am so very sorry for the loss of your beautiful mother. She truly was a gem!*
