“ *We spent many hours working together. Dot was the happiest person I ever knew, always saw good in everything and everybody. Lots of sadness in her life but she still smiled, laughed and always made my day good. She no doubt is with God. My deepest sympathy to all who loved her.*

“ Grandma was one of the kindest, forgiving, loving people I knew. She made me want to be a better person. She saw the good in everyone and every situation. My life was better having had her in it. I am blessed to have loved such a wonderful woman and even more grateful to have called her my grandmother and my my kids great grandmother!!!! GG you will be missed more than you can ever know!!
