“ *I am writing for my brother as well as myself, as we both knew Eddie back when we were teenagers in the Uptown area. My brother Raymond went to school with, and was a very close friend to Eddie. They used to do all kinds of things together. They especially loved sports. I used to think Eddie was so brave, because he used to ride a huge motorcycle back then, Our condolences go out to your family. God Bless, Eddie.*

“ Ed , I would say something soft and sweet but we both know that wasn't your style. You welcomed into your family when I asked your daughter Whitney for her hand in marriage and seen me as your son not just a son-in-law. You will be missed by all you touched in this world. You will be in my thoughts and in my prayers until we meet again. Frank Rodriguez
