“ *Reposted from comments on January 7th,  
I knew Eddie from working with him, and his dad, he was always  
friendly and even though I haven't seen him in several years (I  
moved to Georgia for the job), I've occasionally thought of him. He  
most always had a smile and we frequently shared a chuckle. I am  
among the many people whose life he touched and I will miss him. I  
am in Georgia and unable to attend the visitation, but my thoughts  
are with him and his family.

“ *Awesome guy! Very sadden to hear this terrible news! I went to  
school with Eddie and I grew up in the same neighborhood. Kind of  
lost touch over the years but I would run into him from time to time.  
Always a pleasure to run into!! He was a cool Dude.  
Rest in Peace my friend*

“ Dear Dot and Ed,  
I want to express my grief and sadness over the death of your son. I can't think of anything worse than losing one of your children. My thoughts and feelings are for the two of you. I have wanted to come to your home but not knowing what to say to the two of you has kept me away. Though this is not the way to do it, I want the two of you to know I am thinking of you and you are in my prayers. I am so sorry for your loss.

Love,
