“ *Sorry to hear about Ed's passing your family will be in our prayers.*

I went to Saint Paul's with Ed. We were graduates of the 50th anniversary class. Ed and I boarded and would sometime sit and chat in our dorm room. Ed and I once traded sports jackets needless to say the trade work out for both of us. I am the class agent for the 68 class, wasn't aware Ed was a Navy Veteran like myself, so his name was submitted and will be posted on the Veterans wall at Saint Paul's.

God bless you and your family!

“ There are so many memories I have with Ed. We worked together for many years and I knew he was a true friend because he always had my back. I stayed in touch with him in his retired years and loved talking to him about the good old days of our police careers. I know he cherished Brenda and loved traveling with her. I truly will miss you. Ed, my friend, your tour of duty is now complete. Rest In Peace.
