“ I will always have fond memories of this wonderful person that will remain with me forever. I met him first in 1988 in a local emergency room (St. Jude then) and knew at that time he was special in many ways, especially with respect to his ability to put life events in perspective. I saw Norma and Ed deal with the loss of their daughter and appreciated their inner strength over the years. I will always take pleasure in remembering how we teased each other especially when it came to the stock market. Although I feel a deep personal loss in Ed's passing, my heart goes out to Norma and all his family. They were richly Blessed in having Ed in their lives. God be with you all.
