“ *Elaine Sweeney,
Was a loving and caring person to everyone she came around. She loved watching her Hallmark channel and her cozy tv and didn't care if she saw it already she watched it over and over. She was not only my Mother in Law she was my second mom and my best friend. We did everything together before my Father in Law passed and even after he did. Mom I will miss the late night phone calls and the trips we would take and just the time you would come over and stay for a weekend or a week I won't have that anymore but I will have the memories and the good times we had. Mom you are gone but you will never ever be Forgotten!!!! Love you and miss you .*
