“ *Judy, This for you and the rest of your family. Just wanted you to know that your Mom was very special to me. I gave her a ride to work many mornings from Paris Road and we always talked about old times at the Island. Even though it was a long time ago I have many nice memories of her. You are all in my prayers. Love, Irma Campo Pizzuto*

“ *Granny always made the best lemon meringue pie, and that's my favorite memory of her. I remember when we went to visit her in Washington, and her husband Bob was saying that she couldn't cook. And I started to say, no she makes the best lem--. But she cut me off with a sideways glance and shhh. She didn't want him to know because she didn't want to have to cook! So funny, and smart! That's how I will remember her! I hope this memory brings a smile to all those who love and miss her!*

“ One of the best memories of my Mom is her dancing and singing with us. She loved to sing. On Friday nights we would move the kitchen table out of the way and just dance and sing our hearts away to all the new rock & roll, especially Elvis. Mom had the most beautiful voice and now she can sing with the angels. God bless you Mom, we love you and will miss you!

“Granny, you will forever be remembered and live on through your children, grandchildren, and great-grandchildren.

I will always treasure the memories of the time we spent together. When I was little, I looked forward to spending the night at your house. We would play cards, tell stories, and eat junk food for breakfast!

At one of my parties as a teenager, we played a silly game called, “Under the Sheets” and you were the hit of the party! Any time I had a party after that, my friends wanted to know if Granny was coming. You loved to be silly and have fun. My Granny, the life of the party!

Now that I am a mother, I know that it is perhaps the hardest, most rewarding job a woman will ever experience. And you did it seven times! Thank you for blessing me with many aunts, uncles and cousins. I want to particularly thank you for number three, Judith Ann Brining. Thank you for giving me such a wonderful mother.

I wish I could physically be there to share hugs and love with my family. My thoughts and prayers are with you. I know you will find strength in the love around you and comfort in all the great memories!

*Love,
Amy Trahan*

“ My heart goes out to all in this time of loss of MAMA. God sent us one of His greatest gifts in sharing her with all her GRACE, LOVE AND WISDOM. She left these things as her Legacy, as well as that of having seven bright beautiful children (and their children & children's children), that she LOVED AND ADORED. You've all been her life, her everything. Mama will always be ALL THINGS, aside from God himself, and will always be as close as a whisper in our hearts and spirits... just listen and talk to her silently (or out loud) ... you will always have her as near as needed, she will always be that close by. Always think of the smiles and remember all the good times; it's exhilarating!! Mama now walks for eternity in joy, happiness, and peace for always, with her Lord and Saviour, hand in hand, that carried her back in his loving Arms, but also leaving her close, with all the memories and her spirit right here on our hearts, as close to a body as one would want another to be, to call on or remind or just talk to, remember, to rejoice as needed in life, or in times of struggles and in sharing the joys and good things happening. MAMA was the most beautiful woman, with the biggest Heart ever, and the wisdom of a scholar. A lady... A real "LADY". Mama will be sadly missed, but thought of daily. I appreciate knowing Mama and having shared in the Love she shared with me, as if I were one of her own. I thanked her and continue, for having and sharing her family, and memories, and especially sharing Rene' with me, who I will love and watch over always, as I know she will too, as she will all of you. From Rene' as he has always said and says now, MAMA IS THE GREATEST MOTHER EVER!! MAMA IS EVERYTHING!!! Always was, always will be. Mama, I light a candle in thoughts of you and your strength, and in prayer for any sadness felt at this time in your passing to all of your loved ones. GOD BLESS YOU MAMA, as he blesses us with having giving you to us. YOU ARE LOVED AND WE ARE SO BLESSED. We love you, dear sweet, lil' Lady.
