“ *I have never met a kinder , more caring and loyal person than Roy. My father relied on Roy's expertise and professionalism for over 30 years and I was lucky to have almost 20 years working with him . He was patient and had the most perfect handwriting I have ever seen . I smile remembering my father calling/shouting " Roy My Boy" whenever he needed him which was often. Work was like Family and Roy was one of those that made it special. Roy like his lovely wife Susie will be missed but his children and their children will carry on the legacy. EJC you are missed but never forgotten.*
